

**Consulate General of India
Melbourne**

As per the new COVID guidelines for international arrivals in India dated 29th December, 2022, passengers arriving to India from China (including Hong Kong), ROK, Japan, Singapore and Thailand would be required to fill self declaration form and upload negative RT-PCR Report on the Air Suvidha Portal. It is further clarified that transiting passengers through aforementioned six countries would also be required to fill self declaration form and upload negative RT-PCR Report on the Air Suvidha Portal irrespective of their originating country.
